**NARRATIVE:**

Meeker has an extensive adult criminal history that began at the age of 19. His convictions include receiving stolen property, threatening a witness, assault, battery with serious bodily injury, inflicting corporal punishment and injury to spouse, battery on a person, failure to appear, violation of parole, multiple drug convictions, false id to a peace officer, vehicle theft, and possession of illegal weapons. He has served multiple state prison terms the longest a 32 month term for receiving stolen property. Meeker was released from state prison to the supervision of the Los Angeles County Probation Department on November 2nd, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Meeker qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of illegal weapons is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
